"We are NRIs, and feel very fortunate to have met Mr. Swamy who has been a great help to us in selling and maintaining our properties in Bangalore. He's very hard working, trustworthy, dependable & pleasant person to work with. We surely recommend him to any one who needs his services"

VISHWAS GARADI

"PE-Realtors a firm being build for trust and reliability. We had a property being vacant for quite a long time and when big firms and service providers were unable to fletch us a client, it was then PE-Realtors whome we got to know. The team made a good presentation of the space and were very good at follow ups and choosing the right client of choice. They owe the entire responsibility of negotiating finalizing the paper work fixing a right time n place to close the agreement. It is this seems to be their USP which generally many firms n people lack at. We wish the team grow new heights n achive ak they wish for. Thank you Swamy and nirmala for helping us out. Wishing you the best be yours always. Thanks so much."

SUMANTH ACHAM

"Very good experience in finding the right home In Nagarabhavi with mr.Swamy from PE-Realtors. We had told our requirements and we could finalise the very first house they had shown us. They are very professional in their approach and provided end to end solution . we are very happy with their services and surely will recommend to others."
